- You have purchased travel insurance.
- You have reviewed the South Africa Immunization Recommendations.
- You have your Yellow Fever Vaccination record (if traveling from a high risk area).
- You have reviewed the South Africa Customs Restrictions.
 - You have no narcotics and other controlled substances.
 - You aren't bringing pornography.
 - You have not packed weaponry, explosives and fireworks etc.
 - You have no poisonous chemical and biological substances and other health endangering substances.
 - You don't have cigarettes with a mass of more than 2 kilogram per 1000 units.
 - You haven't packed any counterfeit goods.
 - You don't have any goods that break copyrights laws
 - You don't have any prison-made and penitentiary-made goods.
- You have reviewed the South Africa Currency Requirements.
 - You do not have any Kruger Coins or over 25,000 South African Rand (ZAR)

COVID-19 Requirements:

You are able to meet one of the following COVID-19 entry requirements:

- You have a verifiable COVID-19 vaccination certificate with QR Code. This is no longer required to enter the country as of June, 2022, but it is always good to have with you because laws and regulations change.
